Explain how this trip is specifically connected to the traveler's official or representational duties:

This trip is specifically connected to my official duties as it is part of a months-long program with the Partnership for a Secure America (PSA) focused on building negotiation, teamwork, and other skills for foreign policy staffers in Congress and building bipartisan relationships among staff. This is related to my work as I am currently a foreign policy staffer (doing press) who works frequently with staff members on both sides of the aisle. It is critical for my profession to be able to negotiate, advocate for positions, and work with those whose priorities differ from boss's. PSA has also taught me a lot about my colleagues' foreign policy careers.
